Report on the celebration of Anti-Terrorism Day

The college observes these events with processions, speeches, music, youth conventions, seminars, Quiz Competition, presentations, competitions in essay writing, recitations, and sports events. These are the source of inspiration and have motivated college students.

India observes Anti-Terrorism Day on 21st May. It was on this day in 1991 that the seventh Prime Minister of India Rajiv Gandhi was assassinated by LTTE terrorists while campaigning for the Congress party at Sriperumbudur in Tamil Nadu. The day is marked to spread the message of peace and harmony. The pledge was administered with the objective to wean away the youth from terrorism and the cult of violence by highlighting the sufferings of the common people.

Prime Minister Rajiv Gandhi was assassinated by a suicide bomber while he was campaigning for the Congress party in Sriperumbudur in Tamil Nadu. After the assassination, the government decided that May 21 will be observed as Anti-Terrorism Day to raise awareness among people about terrorism. Rajiv Gandhi was the youngest Prime Minister of India when he was sworn in at the age of 40.

While this day is an opportunity to honour the sacrifices of thousands of security personnel in the fight against terrorism, it is also a reminder that terrorism is still a massive threat to unity and peace in the country. Several government and social organisations plan events on this day to foster unity and national pride in the people. They also educate people on how to act as a force multiplier of the security forces in dealing with terrorism.

The college organizes the program as mentioned below.

1. Tribute to Swami Vivekanand by offering garland to his photograph through the Principal Dr. Sudhir Jagtap.
2. Devotional song by the college cultural team.

3. Speech of the guest.
4. Presidential remark by the Principal
5. Vote of thanks

Thus, an environment of enthusiasm was experienced by every college student and was a memorable event for all the departments.
