Report on the celebration and Days and persons' national and international importance in the college

The college celebrates National & International days and the birth and death anniversary of the legendary icons of India. The college inculcates national values and motivates the students toward national patriotism.

The college observes these events with processions, speeches, music, youth conventions, seminars, Quiz Competition, presentations, competitions in essay writing, recitations, and sports events. These are the source of inspiration and have motivated college students.

In order to commemorate the discovery of the Raman Effect in India by the Indian physicist, Sir Chandrasekhara Venkata Raman in the year 1930, the day is celebrated as National Science Day. For his great success in the field of science in India, Chandrasekhara Venkata Raman had been awarded and honored with the Nobel Prize in the Physics in the year 1930.

To honor this event, 28th of February is observed as a National Science Day in India by the National Council for Science and Technology Communication (NCSTC). A particular theme is selected for every year National Science Day Celebration.

National Science Day was celebrated at Swami Vivekanand Mahavidyalaya on 28th February 2017. The session was open by lighting of lamps followed by Saraswati Vandana. Dr. D.S.Gond, Head of the Department of Life Sciences in his welcome address briefed the gathering about the objectives of celebrating National Science Day. He discussed how the contribution of Science and Technology has revolutionized our day-to-day activities and made our life much easier.

On this occasion, a motivational and inspirational talk was delivered by the eminent speakers. Dr. D. S. Gond during his keynote address laid emphasis on the nuances of Nano Science, material science, and molecular biology and explained if determination and enthusiasm is strong then nothing can stop us from achieving success in life, not even physical disabilities while referring the specially abled scientist

like the faculty members of various departments for organizing National Science Day and students for their participation in large number.

The college organizes the program as mentioned below.

1. Tribute to Dr. C. V. Raman and Swami Vivekanand by offering garland to their photograph with the auspicious hands of the Vice-Principal Dr. D.S. Gond.
2. Devotional song by the college cultural team.
3. Motivational Speech of the Dr. U.S. Patil, Academic Director of SVSPM.
4. Concluding Speech by the Vice-Principal
5. Vote of thanks

Thus, an environment of enthusiasm was experienced by every college student and was a memorable event for all the departments.
