Topic: Introduction to Phonetics

Resource Person: Prof. Umakant. S. Patil

21st February 2021

The guest lecture on **Introduction to Phonetics** was organized on 21st February 2021. The resource person - Dr. Umakant. S. Patil – Professor, spoke on the topic - **Introduction to Phonetics**. Introducing the audience the 44 sounds in English and their pronunciation. Dr. Patil made the session very interesting by involving the science behind the articulation of sounds by the human mouth and how the different organs of mouth are used in producing each sound. Later, he walked the students through a series of slides that helped them to identify the correct pronunciation of many words in English. The session was very interactive and ended with many students requesting for more such sessions.
