**Report On**

**“World Environment Day”**

**05 June 2022**

**Prepared By**

**Sanjeevane B. Bhalerao**

**Asst. Prof., Dept. of library & Information Science**

The college celebrates commemorative days and the birth and death anniversary of the legendary icons of India. The college inculcates national values and motivates the students toward national patriotism.

The college observes these events with processions, speeches, music, youth conventions, seminars, Yogasanas, presentations, competitions in essay writing, recitations, and sports events. These are the source of inspiration and have motivated college students.

World Environment Day is celebrated annually on 5 June and encourages awareness and action for the protection of the environment. It is supported by many non-governmental organizations, businesses, government entities, and represents the primary United Nations outreach day supporting the environment. Across the country, several functions are organized in schools and colleges.

On 5th June our College organized a program to celebrate World Environment Day. The aim behind organizing this program was to give awareness to people about keeping the environment clean and safe from pollution. For this purpose, plant more trees to purify the air and make the earth green. The program started at 8 am. The sports department gave a sapling to each student and asked them to plant it around the campus.

This was an amazing and interesting activity. All the students started planting and the teachers guided them in this regard. Some students cleaned the campus. The gardener surveyed the entire campus and made sure that planting is done appropriately. After this, the students were directed to reach the auditorium where the principal gave a speech in which he encouraged students to participate in these activities. He also added that we should also motivate others to keep their environment clean free of pollution so that we can live a healthy life. It was the pleasurable activity we enjoyed most and promised with our principal to plant more trees in our surroundings.

The college organizes the program as mentioned below.

1. The principal and vice-principal along with all the faculty members and students participated in the program with full energy.
2. Devotional song by the college cultural team.
3. Motivational Speech of the guest.
4. Concluding Speech by the Principal
5. Vote of thanks

Thus, an environment of enthusiasm was experienced by every college student and was a memorable event for all the departments.
