**Report on "INDUCTION PROGRAM"**

**Date: 13/09/2022**

The college celebrates commemorative days and the birth and death anniversary of the legendary icons of India. The college inculcates national values and motivates the students toward national patriotism.

**Main Objective of the Program:**

The objective of the Induction program for students is to make the newly joined students feel comfortable, sensitize them towards exploring their academic interests and activities, reducing competition and making them work for excellence, promote bonding within them, build relations between teachers and students, give a broader view of life and building of character. The Universal Human Values component will be act as an anchor, develops awareness and sensitivity, feeling of equality, compassion and oneness and draw attention to society and nature. It also makes them reflect on their relationship with their families and extended family in the college. It also connects students with each other and with teachers so that they can share any difficulty they might be facing and seek help.

Swami Vivekanand Institute always wants its students to have a broad understanding of society and relationships. We, at SVM, believe that every student's character needs to be nurtured as an essential and non-negotiable quality, by which he would understand and fulfil his responsibility as a citizen and a human being.
