**Prof. Dr. Sudhir Jagtap** (M.Sc. M.Phil.Ph.D.)  
Founder & President

Ref. No.

Date: 18-09-2023

### **Biomedical Waste managements**

Swami Vivekanand Institution has implemented a holistic waste management system and embraced eco-friendly practices to ensure environmental sustainability. For solid & biomedical waste management, designated bins for recyclables and non-recyclables are strategically placed throughout the campus. Regular waste collection, disposal mechanisms, and composting arrangements contribute to converting solid waste into fertilizer, fostering a cleaner and greener environment.
