Asst. Prof., Dept. of library & Information Science

Report on: Blood Donation Camp

Date: 7th February 2023

Venue: Chandraii Hospital SVM, Udgir.

A Blood donation camp was organized by our NSS unit, of Swami Vivekanand Mahavidyalaya , Udgir through which more than 78 units of blood was donated by both students and the staff members of our college. It is a way of SVM College gesture in bringing a ray of hope to contribute to the serious problems of acute shortage of blood. India faces a blood shortage of 3 million units. The problem can be addressed if an additional two percent of Indians donate blood, as opened by the Health experts. We need 12 million units of blood every year but just about nine million units are being donated. Our College has been religiously organizing blood donation camps every year and students and the faculty members come forward voluntarily to donate blood. While addressing to people at the camp our NSS volunteers brought awareness in them about shortage of blood and why we must donate blood every year, to help the persons requiring blood. Blood donation can save lives of innumerable persons. Donation of blood is very critical and crucial for saving lives many patients and those who have met with accidents. It is as such a great service or contribution to the society and people living in it.

Objectives:

• To make aware the people all over the country about the importance of the voluntary blood donation.

• To successfully achieve the target of Voluntary Blood Donation to fulfill the urgent need of the needy patients.

• To store the blood in stock in blood banks for any urgent and serious requirement.

• To promote and emphasize the self-esteem of blood donors through a lot of thanks.

• To motivate and encourage people who are not interested in donating blood even being a healthy person.

• To stimulate people to donate blood voluntarily who are interested in donating blood only to their relatives or friends.

Subject: Heartfelt Appreciation for Organizing the Blood Donation Camp

Dear Sir,

I hope this letter finds you in good health and high spirits. It is with immense pleasure and gratitude that I write to express our heartfelt appreciation for the remarkable efforts put forth by Swami Vivekanand Mahavidyalaya in organizing the Blood Donation Camp on 07/02/2023.

The act of organizing a Blood Donation Camp is nothing short of a noble endeavor, one that directly impacts and saves the lives of countless individuals in need. Your unwavering commitment to this cause is truly commendable. We, at Nagappa Ambarkhane Blood Bank, have witnessed firsthand the dedication and hard work that went into making this event a resounding success.

Your ability to motivate and inspire students to participate in this selfless act of donating blood is a testament to your leadership and the positive influence you have on the youth. By instilling a sense of responsibility and compassion in the young minds of your institution, you are not only contributing to the well-being of the community but also shaping the future of our society.

We are deeply grateful for the continuous support and collaboration we have received from Swami Vivekanand Mahavidyalaya over the years. Your consistent efforts in ensuring the availability of blood in the vicinity have been instrumental in saving numerous lives. Your dedication to this cause serves as an inspiration to us all.

As we express our appreciation, we also extend our best wishes for all your future Blood Donation Camps. May they continue to be successful, and may the spirit of altruism and goodwill that you have cultivated among the students continue to flourish.

Once again, thank you for your invaluable contribution to the cause of saving lives through blood donation. Your efforts are making a significant difference in our community, and we look forward to a continued partnership with Swami Vivekanand Mahavidyalaya in our mission to serve humanity.
