Asst. Prof., Dept. of library & Information Science

Report on the celebration of Republic Day

The college inculcates national values and motivates the students toward national patriotism. The college observes these events with processions, speeches, music, youth conventions, competitions in essay writing, recitations, and sports events. These are the source of inspiration and have motivated college students. The college celebrates Republic Day on 26th January every year. Republic Day is a public holiday in India where the country marks and celebrates the date on which the Constitution of India came into effect on 26 January 1950. This replaced the Government of India Act 1935 as the governing document of India, thus turning the nation into a republic separate from British Raj.

Republic Day is the happiest day for a country so, the school had arranged it at a big level. The reason is that it is a great blessing for a country to exist independently on the map of the world. All the students along with teachers and other faculty members were too excited and enthusiastic. At the end of the event, our principal along with senior teachers delivered the most effective speeches. They gave us advice that we never hesitate to give sacrifice our lives whenever it will need to keep our country safe from enemies. They also included that we should enjoy this independence and work hard for the development and success of our country.

The college organizes the program as mentioned below.

The Republic Day was celebrated with great enthusiasm by all the students of the college. Pictures of our great leaders and freedom fighters were placed on the notice board. On this day the college campus was nicely decorated with flowers and flags. Students came to college in the uniforms. All stood in rows. The portrait of Mahatma Gandhi was garlanded by our Principal Dr. Sudhir B. Jagtap & hoisted the National Flag. Then all saluted the flag and sang our National Anthem together.

The President, gave a speech on Republic Day's importance. Then, the cultural programmes started with Saraswati Vandna by class B.Sc. Cs. Students. There was a Mr. Umakant Patil, who explained the freedom movement of India. After that, the poster-making programmes on Independence Day started. After cultural and other competitions, the prize distribution program started. The chief guest distributed the prizes for the different activities. In the end, sweets were distributed to all, which were organized by our Principal Sir. Thus, the programme ended with flag hoisting by all the students and a song on national integration. The college commemorated the freedom fighters by raising the national flag on the whole campus.
