THE INSTITUTION ASSESSES THE LEARNING LEVELS OF THE STUDENTS AND ORGANIZES SPECIAL PROGRAMMES FOR ADVANCED LEARNERS AND SLOW LEARNERS

Swami Vivekanand Mahavidyalaya admits students through

(i) Affiliated University (SRTM University) counselling and

(ii) Self Financing Colleges.

Therefore, the admitted students represent a combination of bright students and average students.

To help them to cope up with the new learning environment, a number of measures are taken by the Institute for their betterment.

Library facility is available to all students and the learners of all categories are permitted to borrow the books from the library for effective preparation and to collect extra references for the content presentation in the Examination. Parents are invited in the middle of semester to interact with concerned Class advisors/ mentor and course handling faculty members to discuss the progress of their wards.

Mentor-mentee relationship is followed in our institution. The mentor, herewith called Class advisor has to maintain a Students' Record, to keeptrack of the records of the mentees. This is to help and to identify the slow learners as well as the advanced learners from each batch of each year and every course.

The type of students has different learning attitudes and learning habits. The objective of such assessment process of the learning levels of the students is

☐ To identify the factors affecting the student's performance.

☐ To analyze them with respect to the institutional framework.

☐ To provide a proper solution for improving their performance and to build a successful career after thorough identification and analysis of the students.

2. IDENTIFY SLOW AND ADVANCED LEARNERS

2.1 Student Information Form

Every faculty advisor/mentor maintains a Students' record

Following records are to be maintained by Class Advisor/mentor of each class:

(i) Student Information record

 (ii) List of slow and advanced learners of their batch.

(iv) Remedial measures are taken and details (circulars and notices)

(v) Records of activities for both types of learners

2.2 Process to Identify Slow and Advanced Learners

The process of identifying slow and advanced learners is as shown in the table. All students of a particular batch are assessed on following parameters:

Sr.No.	Assessment Criteria
1	**Problem Solving Skills:**
	Class Tests
	Attendance
	Assignments and tutorial
2	**Other parameters:**
	Ability to answer the questions in class
	General awareness
	Attentiveness

Based on above assessed parameters students are classified into groups:

(i) Slow Learners

(ii) Advanced Learners are those students who are ahead on the learning dimensions for the betterment in their life.

All the above details are provided by the concerned course handling faculty members.
