The Principal's Desk

Dear Students and Parents,

It gives me immense pleasure to welcome you to our institution. Our college is committed to provide quality education that nurtures knowledge, skills, values, and leadership among students. We believe that education is not only the acquisition of academic excellence but also the development of character, discipline, creativity, ethical values, employability and social responsibility.

Our objective is to prepare competent professionals who are ready to face challenges with integrity and dedication. We offer a range of professional and career-oriented courses in Computer Science, Life Science, Library & Information Science and Journalism and Mass Media which helps to meet the demands of modern ICT industries, Health sector, Knowledge Society and Communication Medias.

Our college is known for quality education, discipline, natural environment, effective control through CC TV surveillance, transportation facility, qualified and experienced faculty members, well-furnished laboratories, enriched library with printed and e-Resources. Digital learning facilities and a student-friendly environment that encourages creativity and research.

We continuously strive to build strong industry-academia interaction through seminars, workshops, internships, industrial visits, and placement guidance activities.

I invite aspiring students to become a part of our prestigious institution and take advantage of the opportunities available through our professional courses. I am confident that your journey with us will be enriching, inspiring, and rewarding.

I extend my best wishes to all students for a bright and successful future.

With warm regards,

Prof. Sudhir B. Jagtap

M.Sc.M.Phil., Ph.D.

Principal

Vision & Mission

Vision :

To mould and shape the career of Students through Quality Education by constantly Keeping in mind that education is the manifestation of the perfection already in man.

Mission :

- To offer accessible and affordable quality education that leverages students with professional skills, moral values and global perspectives.
- To make this organization a place of institution Excellence.

Objectives :

1. To promote excellence in education and create an effective human resource.
2. To infuse creative spirit & research ambiance among the learners and explore their talents & abilities.
3. To understand the students situation in respect of economy, competency and guide them.
4. To develop healthy relationship among the students, teachers and parents.
5. To establish state of the art facilities for education, training and research.
6. To inculcate social, national and human values in young generation through education and thereby contribute to the nation building.

College Features

- Best college in the Udgir Urban, Sub-urban and Rural Area.
- Know to Quality Education- Qualified, Experienced and University Approved Regular Faculty.
- Skill based and Job oriented programmes/Courses.
- Smart Class Rooms with Digital Touch Screen Boards, HD Projectors and audio-visual facility.
- Modern Laboratories with Advanced Infrastructure and Equipments.
- Central Computer Laboratory with 70 computers.
- Campus with Free Wi-Fi Internet facility/Wi-Fi facility available.
- Library is enriched with 10182 books.
- Library subscribes 11 print subject journals 3 and common Magazines and 15 News papers.
- Library also subscribes DELNET e-Resources.
- Library is fully computerized uses ILMS Soul 3.0 software and OPAC facility.
- Ph.D. Research Centre in Computer Science and Biotechnology Dept. with Recognized Research Guides.
- Career Guidance and Placement Cell.
- College provides financial support to the deserving, worthy and needy students
- Green and ecofriendly campus.
- Specious Open Play Ground for Outdoor Sports Activities . Indoor sports facilities are also available.
- Free Bus Transportation from Bus stand
- UPS for Power Backup and Continuous Power Supply.
- RO Drinking Water Facility.
- Scholarship for SC, ST, NT, OBC, ESBS all eligible students, Girl Students and economically backward class (EBC) students.
- Regular Educational Tours and Industrial Visits.
- Hostel Facility for Girls and Boys Students.
- Modern ICT enabled Conference Seminar Halls & Classrooms.
- Collaborations with National and International organisations
- College received state govt. award for best NSS unit and best Programme officer.
- Open Theater for cultural activity
- Proactive management with campus residence.
- 24 x 7 hrs. security.
- Whole Campus is under CCTV surveillance.

We Offer The Following Programmes / Courses

Under Graduate

SN	Name of Programmes / Course	Duration (Years/Sem.)	Eligibility
1	B.C.A. (Bachelor of Computer Application) AICTE & DTE Mumbai Approved	(3/4 yrs.)	XII Sci/Arts/Com/MCVC & MH-CET Score
2	B.Sc.Computer Science as per NEP 2020 (BCS)	(3/4 yrs.)	XII Sci.
3	B.Sc. (Gen. Science)	(3/4 yrs.)	XII Sci.
4	B.Sc. Bio-Technology	(3/4 yrs.)	XII Sci.
5	Bachelor of Journalism & Media Science	1 Year	Any Graduate
6	Bachelor of Lib. & Inf. Science	1 Year	Any Graduate

* As per NEP 2020

Under Graduate (Vocational Courses)

Admission Process :

Student who desire to take the admission in respective subject/class may apply in a prescribed application along with all requisite documents and fees.

A) Process of Admission :

1. Duly filled application form along with requisite documents, tuition fees and undertakings given in admission form may submit to the office.
2. Incomplete Admission Form, undertakings given in admission form and fees not paid form will not be accepted.
3. Student has to submit online Eligibility Form to the university. Admission will be confirmed only after receiving eligibility (Certificate from the University.)

B) Required documents :

1. Admission Form
2. Transfer Certificate- (Original copy and 2 Xerox copies)
3. Mark Memo-(Original copy and 2 Xerox copies)
4. University Eligibility Form
5. Cast Certificate (If applicable)
6. Migration Certificate (Other University Students)
7. Aadhar Card Xerox copy

5. Departments

5.1 Department of Computer Science And Research Center

The College has established computer science department in 2001 with the commencement of courses - BCA, B.Sc.(CS), B.Voc. Software Development, M.Sc. (CS) and M. Sc. CM). Ph.D. (CS) The college has university approved research centre in computer science. Students can pursue higher education and research in the subject. Presently the department offers following courses :

SN	Programme/Course	Course Duration	Intake
1	BCA AICTE & DTE Mumbai Approved	3/4 Years	80
2	B.Sc. (Computer Science) as per NEP 2020	3/4 Years	160
3	M.Sc. (Computer Science)	2 Years	30
4	M.Sc. (Computer Managment)	2 Years	30
5	Ph.D. (Computer Science)	-	As pe University Guideline

Salient Features of the Department:

- Available advanced teaching and learning resources.
- Well-equipped spacious laboratories with updated systems.
- Qualified, experienced and dedicated staff with research experience.
- Department conducts weekly Unit Tests.
- Faculty and students have published research papers in peer reviewed reputed journals.
- The department has collaboration with various institutes and organizations.
- Department runs Skill- based development and Add-on Courses.
- Free Wi-Fi Internet access to student & faculty.
- Dept. has also established MOU with a software companies.

Departmental Activities & Achievements:

- Department organizes various educational & social activities to create awareness about ICT tools and modern techniques , Artificial Intelligence (AI) among students and research scholars.
- Department organizes workshops, guest lectures, seminars, exhibitions & quiz competition , group discussion and etc. for holistic development of students.
- Department encourage students to participate in project works, study tours, seminars, conferences & in social awareness programs.
- Department helps to recruits students in various esteemed organizations, institutes & IT Industries through campus placement.
- We feel proud to state that many of our students are working in IT parks at National and International level.
- 8 Research scholars have received Ph. D. Degree in Computer Science and 9 students are pursuing their Ph.D. at our research centre.

5.2 Department of Life Science and Research Center

About Department:

The Department of Life Science (DLS) was established in the year 2002 with the commencement of the M.Sc. Biotechnology programme. Later, in 2006, the department introduced the B.Sc. Biotechnology programme. Furthermore, the M.Sc. Microbiology and Clinical Research programmes were commenced in the year 2009 with a view to promoting an integrated approach to teaching and research as a multidisciplinary science programme unifying the disciplines of modern Biological Sciences. Recently, the B.Voc. Medical Laboratory Technology programme was started in 2019.

On completion of the programme, students can pursue careers in clinical laboratories, hospitals, clinics, diagnostic centres, and blood banks. The department also offers a Ph.D. in Biotechnology, as the college has a university-recognized research centre in Biotechnology, which was established in the year 2008.

DLS is supported by a team of faculty members who are committed to maintaining the highest standards in academics and research. The department boasts trained faculty members with vast teaching experience and high-impact publications. The M.Sc. practical laboratories are well-equipped to provide hands-on training to students.

The college has an in-house system for the continuous review of its academic programmes, which allows the inclusion of newer areas in research and teaching. Our industrial collaborations bridge the gap between conventional Ph.D. education and industry-ready professionals, leading to excellent career opportunities in academia, industry, and hospitals.

Programmes/Courses Offered:

Programmes/Courses	Course Duration	Intake capacity
B.Sc Biotechnology	3/4 Years	80
B.Voc. Medical Lab Technology	3 Years	50
M.Sc. Microbiology	2 Years	30
M.Sc. Biotechnology	2 Years	30
M.Sc. Clinical Research	2 Years	30
Ph.D. (Biotechnology)	-	As per the university guidelines

Salient Features of the Department:

- Advanced teaching and learning resources and methods.
- Well-equipped spacious laboratories with the necessary infrastructure.
- Qualified, experienced and dedicated staff with research experience in basic & applied sciences.
- Published research papers of faculty and students of the department in peer reviewed national and international journals.
- The department has collaboration with various Institutes and organizations.
- Department organizes various social activities to create awareness about the impact of Life Science on human health and environment.
- Separate departmental library and facility of Skill development and Add-on-Courses.
- Encourage students to participate in workshops, guest lectures, seminars, exhibition, quiz

competition and study tours for their overall development.

- Career guidance and placement cell for students.
- M.Sc. dissertation research carried out in laboratories
- Dept. arrange placement camps.

Department Facilities:

Infrastructure:

- Over the years the Department has developed a modest academic infrastructure comprising M.Sc. laboratories, Research Laboratories and Major equipments.

Laboratories:

- The Department has four dedicated laboratories for the different specializations. A separate research laboratory facility is provided to research Students.

Equipment's available in laboratories :

- PCR • Gel Rocker • Cell counter • Laminar Air Flow • Autoclave • Incubators • Microscopes
- BOD Incubator • Orbital Shaking Incubator • Water bath • Homogenizer • pH Meter

Department Activities and Achievements:

Department organizes Workshop/seminars/conferences/symposia.

- Health Check-ups camps organize every year.
- Expert Lectures series: Resource persons from higher learning, corporate, and business sectors are invited from time to time to give talks.
- Guidance for competitive exams such as SET/NET/PET/GATE/ICMR/ICAR as well as MPSC & UPSC.
- 2 research Scholars received Ph.D degree in Biotechnology from our Research Centre.

5.3 Department of Library & Information Science

About Department:

Library is now known as knowledge resource centre as it plays a key role like soul in Higher Education system. With the rapid advancements in ICT, libraries also have gone through tremendous changes. Thus in the new fast changing environment focusing on diversified demands of users, their expectations, help in retrieving information needs of trained and skilled staff with enough knowledge of ICT, database browsing-downloads and uploads, navigation & website. Repackaging of information, organization, indexing have become prime requirement for job seekers to be eligible to work in academic libraries. Hence institutes of higher education such as colleges and universities have revised and incorporated new concepts and subjects in the curriculum of Lib.Inf. Sci. to empower the upcoming generation with relevant knowledge. Taking into consideration the vital role of library staff in rendering services the SVM college has introduced two courses viz. B. Lib. & Inf. Sci in 2002 and M. Lib. & Inf. Sci. in 2005. More than 1000 students have completed their education in Library and Inf. Sci. in our college.

Initially the Department of Library and Information Science was under the faculty of Humanity and Social Sciences. Now as per the the new Maharashtra Public University Act 2016 the department came under the faculty of Interdisciplinary Studies.

Courses Offered :

SN	Programme/Course	Course Duration	Intake
1	B. Lib. & Inf. Sci.	1 year	60
2	M. Lib. & Inf. Sci.	1 year	24

Salient features:

- Qualified and experienced staff, regular practical and demonstration, interactive teaching methods with personalized career guidance to enables students to get good placements.
- Dept. organises study tour in second semester for both courses.
- Apprentice cum training is also special feature of our department.
- The students of this department organizes several co-curriculum and extracurricular activities.
- Students are encouraged to participate in seminars, conferences and workshops for academic enrichment.
- Faculty takes mentorship of students to ensure their overall improvement and perfection in the profession.
- Dept organize guest lecture of expert professional librarians and faculty of Lib & Inf sci. to guide for SET/NET Exam in LIS.

Department in of Lib Science and IQAC had organised one day national conference in hybrid mode (Offline & Online) on 'Increasing impact of e-Resources and & e-Services on Traditional Resources & Services' on Tuesday, 27th June, 2023.

5.4 Department of Journalism & Media Science

The Department was started in the Year 2001-2002, with U.G & P.G.(B.J & MJ&MS). Both courses strives for excellence in Media Education, Training and value based education. It helps in professional mobility along with the multidisciplinary approach towards society to enhance students in global competencies.

The Department is fully dedicated to generate Media experts, Professionals, Scholars, Researchers who are distinct in their vision and bringing new wave in Media or Mass Communications. The Department is a hub of activities focusing at academic excellence with practical skill development.

Media is the fourth estate of democracy. Mass Communication is an integral part of our democracy and Media education is called as hallmark of success in this category.

The Department proposes to establish contacts with other working as newspaper reporters, sub-editors, P.R. professionals, Anchor, etc. Department also provides News Readers and News Editors in various media houses and also as teachers and independent researchers in various educational institutions.

Dept. offer participative learning, Group Discussions, Demonstrations, Continuous assignments, PPT presentation, Class Tests, Tutorials, Field Visits, Guest Lectures of Prominent Persons, Interaction with Media Houses, using ICT tools, Practical exposure to students for their benefits. Department organise Guest Lectures from Industry is regular practice of the Department. It helps students to enhance their curricula.

The Department also Provides Opportunities for students to work on internship in various fields of Print, Electronic and online Media.

The Department teaches students to learn the use of camera (photo/video) to collect news for Radio and Television channels.

Courses offered :-

Name of the Courses	Course Duration	Intake
Bachelor of Journalism	1 year	60
Master of Journalism and Media Science	2 year	30

Salient features of the Department:

- Journalism Dept. Established in 2002.
- Pioneer in the field of Journalism and Media Science.
- Face to face interaction with students.
- Well-equipped Media Room
- Placement support
- Young, Experienced, Highly Qualified motivated faculty.
- Project work and Practical based syllabus.
- Wi-Fi enabled department.
- Proficiency in language skills
- 24 hrs online UPS backup with 63 kv generator set.
- Provide Practical Knowledge of handling Media equipments

6. Learning Resource Center (Library)

The College has library facility since its establishment 2001. Library is enriched with 10335 books and over 4150+ unique titles. Book collection is diversified which includes Syllabus texts, subject references, general references, books of competitive examinations, language/literature, biographies of great leaders and general books. Currently library subscribes 9 subject journals & magazines of high repute and 13 Newspapers in print form. Library also have collection of over 300 CDs and DVDs Besides these library subscribes DELNET consortia's. 15000 journal are available under DELNET .

Reading room: Reading room is big spacious and well maintained with good infrastructure , ventilation, lights, fans etc. Continuous efforts are being made to promote reading interest among readers. “ Let us learn and make others learned” is the goal of our library. This helps to attract students for their intellectual upliftment and stimulate creative thinking.

Computerisation Status : Library is fully computerized with SOUL 3.0 software. Bar codes have been applied to cent percent books. Online Public Access Catalogue (OPAC) has been made available for readers. One Server and three clients are connected in Local Area Network

Library Services : - Library provides Information Literacy, Reference Services, referral services, Home Lending Services, Book Bank facility, Reading Room Services, Photocopying services, New Paper Clipping Services, Extra facilities to advance learner, OPAC, DELNET, NOPR, DOAJ, DOAB etc. are being made available for students.

Best practices: We feel proud to state that our library has introduced few best practices newly in 2022. Basic purpose of these practices is to inculcate reading habits among students, develop friendly relations and inspire them to make optimum use of library facilities. Best practices includes -Students Help corner, Participation of students in books collection development, Displaying of G K on OPAC Screen, SDI services of important topics/articles, Extra facilities for scholarly students etc.

Library staff is helpful, hard working and cooperative. We assure readers best value based services. Enhance the knowledge of readers with sincere services is our priority.

7. Sport's Department

We are proud to be a part of a college that values the holistic development of the students through sports and athletics. We offer a wide range of sports and athletic programs designed to support the physical, mental, and personal development of our students.

1. **Facilities:** Our College boosts state-of-the-art sports facilities.
2. **Outdoor Games:** Our College offers a variety of games which includes Cricket, Kabaddi, Kho-Kho Volleyball, Track and field etc. We have both men's and women's teams, to cater the interests and aspirations of all students.
3. **Indoor Games:** The College offers a variety of indoor games which includes Table -Tennis, Badminton, Carrom, Chess etc.
4. **Sport Events:** The College organize sports-related events like sports days, annual sports meets, fitness workshops, yoga, meditation and more.
5. **Annual Sport meet:** The College organizes the annual sports events for Inter-college in the month of Jan-Februray every year and the winners are awarded with the prizes in the annual day function.
6. **Coaching Staff:** We take pride in our highly experienced coaching staff who are dedicated to mentoring and guiding our student-athletes.
7. **Academic Support:** We understand the importance of balancing academics and Sports/athletics. We provide dedicated academic support services to our student.

8. **Infrastructure and Equipment:** The sports department takes care of maintaining and procuring sports equipment, kits, necessary for various sports. This ensures that students have access to proper equipment and facilities.
9. This academic year two term of our college played in state level competition and secured second prize.

8. National Service Scheme (NSS)

The College has well developed NSS unit. We are proud to state that our NSS has received the Best NSS Unit Award and Best Programme Officer Award from the Govt. of Maharashtra. Our NSS has been remained at the forefront in organizing social activities

1. **Objective:** The NSS aims to provide an opportunity to students to understand and be sensitive to the needs and problems of the community while developing leadership and organizational skills.
2. **Eligibility:** NSS is open to students who are enrolled in undergraduate courses in colleges recognized by the University Grants Commission (UGC). Generally, students in the age group of 18 to 25 years can participate in NSS.
3. **Duration:** The NSS program is typically implemented for two years during the college/university studies. However, a student can participate for shorter durations as well.
4. **Activities:** NSS volunteers engage in various community service activities, such as literacy campaigns, health and sanitation drives, blood donation camps, awareness programs, tree plantation, and rural development projects etc. These activities help to inculcate a sense of social responsibility and empathy among the students.
5. **Benefits:** NSS participation provides an opportunity for personal development, enhance social skills, and encourage interaction with people from diverse backgrounds. It also adds value to your resume and helps in the overall development of your personality.
6. **Certificates:** NSS volunteers are awarded certificates for their service, and their participation is often recognized by institutes and employers.
7. **Community Service Camps:** NSS also organizes residential camps where volunteers live and work together for a specific duration to undertake special projects and gain experience of community living and team building.

To get detailed information about joining NSS in our college, you can contact NSS programme Officer Mr. Amar Tandale or office of the college.

Remember, participating in NSS can be a rewarding experience that can contribute to your personal growth while making a positive impact on society.

9. Examination Cell

Examination is the process of evaluating the performance of the students. It help students to check their position and accordingly to take appropriate steps and precautions to improve better. The college has an independent Examination Section to look after examination work and related issues. The examination work includes annual planning of exams, preparation of schedule, and conduct Unit Tests, Internal examinations, Semester and provide support in university exam.

Results of weekly Unit Tests are being displayed on the notice board and communicate to the parents. Ranker students are being awarded to motivate all students to secure more percentage. The college organize induction programme at the entry level to aware students about examination system.

The college has established a separate examination committee which makes policy decisions with regard to Continuous Internal Evaluation (CIE) process. Accordingly the Principal conducts department wise review meeting to give necessary feedback for improvement of students' performance. Remedial Classes are duly conducted for the slow learners.

Examinations are conducted in a fair atmosphere with the support of exam committee . The college has made provision to form a special internal vigilance squad to prevent malpractice during examinations.

Examination Rules to be followed by the student:

- Every internal exam is mandatory for students.
- Student have to improve weekly exam performance continuously.
- If any student found irregular in college internal examinations the penalty will be charged to him/her.

Responsibilities of Parents:

- Visit to college exam section at least once in a month to check attendance & performance of their ward.
- Parent will have to bear responsibility of poor performance of their ward happened due to frequent absentee in the internal examinations .
- Parents are required to be present as and when meets organized by the college.

10. Career Guidance and Placement Cell

Career Guidance and Placement Cell plays an important role in shaping the future career of students. It acts as a bridge between students and employment opportunities by providing guidance, training, and placement support. College has established separate cell which aims to provide career guidance and counselling to students in order to enhance employability and entrepreneurship skills among students.

College has facility of Memorandum of Understanding (MOU) with various institutes for placements of students. Good number of students of Computer science, Life science, Lib. & Inf. Sci. Journalism received placement and some have secured jobs in Pvt. and Corporate Sectors. College feels it is the result of hard work of dedicated Faculty, Administrative staff and the Management. During last academic year BlackBug Solutions Ltd. Pune, Revappayya IT Services Private Ltd. Bengaluru, Pacematic Technologies Pvt. Ltd. Pune, Expert lectures of IIT Mumbai about a Path to IIT : GATE JAM Exams etc were organised through this cell. Kiran Academy, Pune had arranged a drive of Internship and Placement at our college in July 2025. 92 students of BCA and B. Sc. Third Year have been selected for scholarship in the range 25 to 100 % . Among these 9 students sorted eligible for 100% scholarship.

11. Student Council

As per the Maharashtra Public University Act 2016, College establish Students Welfare Council every year and appoint members in of the student parliament & elect the University Representative also known as General Student Secretary (GS) of the college. Students representatives of sports, NSS, Cultural Dept. and Ladies Representative (LR) works in the council and assists General Secretary. The council acts a bridge between students and the administration, helping to address student concern and encouraging active participation in academic, cultural, social and sports activities. The council organise various events, awareness programmes, competitions and celebrations throughout the academic year, contributing to the overall holistic growth of students.

12. Cultural Department

- Welcome to the Cultural Department of Swami Vivekanand Mahavidyalaya, where we celebrate diversity, creativity, and expression through a wide range of cultural events and activities.
- The department is responsible for promoting and preserving cultural heritage, arts, and related

other activities.

- We believe that cultural activities are an essential part of our life, and we encourage our students to participate in them wholeheartedly.
- We provide our students best platform to present their talents and embrace the rich cultural heritage of our country.

Information and conditions of the following scholarships available on the website+

[https:// scholarship.gov.in](https://scholarship.gov.in) of the central government.

13.1 Earn & Learn Scheme

The college has implemented Earn and Learn Scheme for poor , promising and economically weaker section students. Students who admitted in the scheme do works such as watering the trees , applying fertilizer, help in library for shelving of books and other related works. The college pay a good remuneration for this work. It is expected to work I the scheme by maintaining the schedule of the college.

14. College Scheme

(The Non- Government Scholarship to Deserving and Worthy Students)

This is one of the best practice/Scheme of our college. The college support to the deserving, meritorious, worthy and needy students in the form of scholarship.

The objective of the scheme:

To provide financial help to deserving worthy and needy students to further their education based on academic merit.

Eligibility Criteria :

- The student who wish to avail this facility should have passed the qualifying previous examination in the first attempt.
- Student should have obtained minimum of 75% marks in the examination held in academic year.
- The student should not avail of any other scholarship provided by any government or funding agency.

Procedure:

- Eligible students should fill out the requisite form available in college office.
- The Scholarship Award Committee scrutinize the forms and short-lists the students.
- Forward the list of short-listed students along with the recommendations to the College Development Committee (CDC).
- The CDC will recommend short-listed students for final approval of the president.
- The CDC may waive of 30% Tuition fees.
- Generally, it is decided at the CDC meeting that minimum of one student of each class can be recommended under this scholarship scheme.

15. College Committees

College establish various committee every year as per the guidelines of Maharashtra Public University Act, 2016 and UGC regulations. These committees duly functions as per the set schedule to ensure smooth functioning of the college some important committees are as under.

15.1 Anti Ragging Committee

The college has implemented Earn and Learn Scheme for poor, promising and economically weaker section students. Students who admitted in the scheme do works such as watering the trees, applying fertilizer, help in library for shelving of books and other related works. The college pay a good remuneration for this work. It is expected to work in the scheme by maintaining the schedule of the college.

15.2 Internal Complaint Committee

A Internal Complaint Committee /ICC is formed in colleges and educational institutions to prevent and address cases of sexual harassment. The committee works to ensure a safe, secure, respectful, and gender-sensitive environment for students, teaching staff, non-teaching staff, and visitors in the college. Committee also spread awareness and promote a respectful educational environment. College has constituted the committee as per the guidelines of the Internal Complaint of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and UGC regulations. It creates awareness, receives complaints, conducts inquiries, and recommends appropriate actions against misconduct.

15.3 Grievance Redressal Committee

A Grievance Committee of our college is an important body formed to address the complaints, problems of concerns students, faculty staff, and non-teaching staff in a fair and systematic manner. The committee aims to maintain discipline, transparency, equality, and a healthy educational environment. It provides a proper platform where individuals can express their grievances without fear and receive timely solutions. The committee generally deals with issues related to academics, administration, facilities, student welfare, examination matters, discrimination, harassment, and interpersonal conflicts. It ensures that justice and ethical practices are followed in the institution. In order to give proper justices Senior and experienced staff works as the members of this committee.

15.4 Remedial Cell

The Remedial Cell is an important academic support system established in our college to help students who face difficulties in learning. Senior staff works in the committee as committee members. The cell identifies slow learners and provides additional guidance, coaching, and support to improve them in understanding of subjects.. The main purpose of the Remedial Cell is to reduce the gap between advanced learners and slow learners by conducting special classes, doubt-solving sessions, counselling, and academic monitoring. It also helps students to build confidence, improve communication skills, and perform better in the examinations and results in reducing dropout and failure percentag

15.5 Feedback Committee

The Feedback committee collects feedback from students, teachers, parents, guardians, alumni and staff. The committee further analyses suggestions and recommendations to improve teaching methods campus facilities, academic performance and student support services. It ensures transparency, quality assurance and continuous improvement of the institution.

15.6 Mentor Mentee Cell

College has established the Mentor–Mentee Cell on priority to guide, support, and monitor students through regular interaction between faculty mentors and student mentees. It helps students in academic progress, personal development, career planning, emotional well-being, and social adjustment within the college environment. Students comes from different educational, social and economic background. Some face challenges in understanding subject, management of time, preparation for examinations, stress, fear of interaction with teachers and friends, etc. whereas some are advance learners. Committee members perform their role in responsible and ethical manner.

16. Girls & Boys Hostel

The College has well maintained Girls and Boys1 hostel with trained and experienced staff. Discipline and quality services are the prime preference. For smooth functioning students have to follow rules strictly.

Hostel Admission Rules :

- Hostel facility is available for both Girls and Boys admitted in our college.
- Admission seats are limited, preference is given for the students from remote area.
- Apply with separate form for hostel admission.
- Total fees for hostel accommodation should be paid at the time of admission.
- It is mandatory to follow all the rules & regulations of the hostel.
- Admission forms of hostel accepted along with college admission forms.

- Hostel admission forms are available in the office.
- Following documents are required with application form
 - 1) Passport size
 - 2) Photos of student.
 - 3) Parents combined photo.
 - 4) Residential Proof-Xerox.

17. Rules and Regulations for Students

- It is mandatory for students to have at least 75% attendance in each subject. If the attendance is less than this, the educational concession given to them will be cancelled and they will not allow to fill up the university examination form.
- Every student must maintain discipline in the classroom and in the college premises.
- Students will have to come in college uniform as per the given weekly schedule.
- Carry your College ID at all times when in campus.
- Switch off your mobile phone in class.
- Don't bring outsiders inside the college campus. If you are aware of any unauthorized visitors you must report this to the concerned staff.
- Interact with all members of college community with politeness and courtesy.
- Respect differences in relation to gender, race, nationality, disability and religion.
- The ragging is a cognizable offense as per Maharashtra Govt. Prevention of Ragging Act 1999 and GC Prevention of Ragging Act 2003. Legal action will be taken against the guilty.
